

## **JOIN THE WAYSIDE PTA!**

The Wayside Parent Teacher Association welcomes all new and returning families to the 2011-2012 school year! By joining the Wayside PTA, your dues and additional contributions allow the PTA to support the school and enhance the educational experience for our children through:

- Speakers
- Cultural arts assemblies
- Student activities and clubs
- Supplemental classroom resources
- Before and after school enrichment programs
- Celebratory social events and fundraisers
- Staff appreciation and recognition activities

As a member of the PTA you will also strengthen our political influence and make Wayside's voice heard. The more members, the stronger our voice! Please consider a dual membership as it provides our school with an extra vote with the local, state, and national PTAs.

In addition to dues and contributions, The Wayside PTA raises funds through programs such as the book fair, read-a-thon, gift wrap and logowear sales, and spirit nights...and through registration of Giant, Safeway, and Harris Teeter cards! We will register your card for you! Every time you use it, Wayside earns FREE money!!!

We cannot continue to support our children without your help and involvement! We are asking for 100% participation in the PTA! Please contact the membership committee at [membership@waysidepta.org](mailto:membership@waysidepta.org) with questions.
