

WAYSIDE IS GREEN!

All information is posted through the electronic Wayside Waves system. In addition to the regular Waves messages, you may receive an e-mail entitled "Dolphin Delivery." Waves typically pertains to information directly related to Wayside, while Dolphin Delivery is more county and non-profit organization information.

When you sign up for the Wayside Waves, you are automatically signed up for Dolphin Delivery.

Subscribe to Wayside Waves by sending an e-mail from your e-mail account to waysidewaves-on@waysidepta.org. You will receive a confirmation e-mail. Please hit "reply" to that confirmation e-mail. Once the Wayside Waves server receives your confirmation, you will be on the distribution list. *In the beginning, please check your spam folder periodically.* Please contact Danielle Fang at 301-838-8586 or daniellerfang@aol.com if you have any questions.

Hard copies of information, along with a schedule of events and other important information, will be displayed in front of the main office.
